FOURTH CIRCUIT POLICY #06-04

Circuit-wide Filings

It is the policy of the Fourth Judicial Circuit that paperwork will be filed in the county of origin and likewise certified copies will be obtained from that county. In certain situations, for example - if a hearing is held in Meade County on a northern county criminal matter and the defendant is ordered to the Penitentiary - the clerk in Meade County will file and certify the judgment/disposition so it can be sent along with the defendant - in these situations, the local clerk will be allowed to file and certify paperwork from another county.

Dated this 9th day of January, 2006.

Warren G. Johnson
Presiding Judge
Fourth Judicial Circuit
