UJS CASE MANAGEMENT SYSTEM

WHAT IS ODYSSEY?

Multi-Year project to migrate multiple non-integrated Legacy applications including the Civil, Criminal, Supervision and Financial case data into a single System with electronic document management, e-filing, online payments and performance measurement capabilities.

TO ONE APP . . .

The screenshot shows the Odyssey Case Manager Home application. The interface includes a menu bar (File, View, Tools, Centers, Help) and a logo for Odyssey. A navigation pane on the left lists various categories with expandable arrows: Case Manager Home, Searches (Find a Case, Find a Party, Find a Hearing, Find a Group, Find a Citation), Court Administration (View Calendar, View Resource Schedule), Fees & Finances (Find an Account, Find a Receipt, Find a Disbursement), Bonds (Find a Bond), Warrants (Find a Warrant), Forms & Documents (Document Groups), List Manager, Workflow (Queues), and Group (Group Add Events). The main content area features a 'Case Manager Home' header with tabs for Cases, Warrants, Bonds, Parties, and Citations. Below this is a 'quick links' section with a 'Find a Case' link. The main area contains six large, colorful buttons with icons and text: 'court administration' (calendar icon), 'fees & finances' (calculator icon), 'forms & documents' (document icon), 'reporting' (line graph icon), and 'administration' (gears icon). Each button includes a brief description of its function.
